*Nine Lives To Eternity, Guided By Angels chronicle of cheating death a miraculous twenty-seven times. This inspirational and faith-driven human triumph details the any of which should have resulted in certain death, yet somehow he was incessantly saved by Guardian Angels. The numerous near-death experiences for Scott required an amazing ten major medical surgeries. In all, his death-defying circumstances have accounted for twenty-six fractured bones and rendered him unconscious on five separate occasions, yet he somehow lived to tell his compelling story. After listening to never be the same again.*
